Sub: Revision in the number of players in the Volleyball Teams-reg.

Sir,

I am directed to inform you that as per the Official Volleyball Rules, 2005, the Director General, Chairperson, CSCB has accorded his kind approval to increase the no of players in the Volleyball team from 10 to 12 in various sports meets organized by the Corporation. The Coach/Manager would be chosen from amongst the players. This would further be subject to the condition that all the members of the team are those who actually play volleyball and have undertaken practice and a person who is not actually connected with the game should not be allowed to accompany the contingent under any circumstances.

Yours faithfully,

(R.KESHAVDAS)
JOINT DIRECTOR-II
