Sub: Reimbursement of expenditure incurred by IPs and their families on medical care treatment taken during emergency from non ESI Hospitals.

Sir/ Madam,

During the 185th meeting of Standing Committee of ESI Corporation held on 29.01.10, the Committee members raised the issue of problems being faced in reimbursement of claims of IPs for expenditure incurred on medical care treatment taken in case of emergencies from a private hospital/ non ESI Hospital.

In this regard, it is clarified that the expenditure incurred by insured persons and their families on medical care treatment taken in case of emergencies from a non ESI/Private hospital should be re-imbursed as per CGHS approved rates, after ascertaining emergency and entitlement.

This may be brought to the notice of all concerned.

Yours faithfully,

(DR. S.K. JAIN)
