No. A-36(13)2/2006-Exam

Dated: - 29-10-2008

To

All Regional Directors / D(M)D/Medical Supdts / Jt. Dir. I/c  
Regional Office / ESIC Hospital / SRO,

---

**Sub.:- Clarification regarding reservation under OBC category.**

**Ref.:- Hqrs. office letter No.A-36(13)2/2006-Exam dated 16-07-2008.**

Sir,

On the above subject, it has come to the notice of the Hqrs. office that the advertisements for recruitment to various posts released at the level of R.D.s and Med. Supdts. ESI Corporation does not clarify in detail as to which all candidates are entitled for reservation under OBC category for the posts reserved for OBC candidates as such leading to unwarranted references to Hqrs. office.

It has been decided that all advertisements for recruitment to various posts in ESI Corporation should invariably clarify as to who all candidates are entitled for reservation under OBC category for the posts reserved for OBC candidates. As such the advertisements for recruitment where the posts are reserved for OBC candidates should include the following text in addition to the other matter.

*The candidates applying under OBC category must submit the certificate in the form to be produced by other backward classes applying for appointment to the posts under the Government of India. The candidates belonging to only such castes / communities falling in the central list of the OBC prepared by Ministry of Social Justice & Empowerment, Govt. of India are entitled for reservation in the services under the Government of India. The candidates who shall not be submitting the OBC certificate in the proforma prescribed for appointment to the posts under the Government of India shall not be considered for reservation under OBC category.*

.... /-

- 2-

All future recruitment advertisement to be released should contain the above text. The performa, as enclosed, may be put up on the website of the region / ESI Hospital concerned as an annexure to the original advertisement.

Yours faithfully,

**( ARUN KUMAR )**  
**Encl.: As above**  
**DIRECTOR(RECTT.)**
