Services for Development of Strategy / Models for Upgradation, Operation and Management of Super Specialty Hospitals and construction, equipping and running of medical colleges on Public Private Partnership (PPP) model

PROCEEDING OF THE PRE-BID MEETING HELD ON 19.05.09 AT 11.00 AM IN CONFERENCE HALL, ESIC HQRS. OFFICE, DELHI

The queries received in writing upto 12.5.09 as well as those raised during the pre-bid meeting are clarified as follows:-

The intention of ESIC for obtaining these proposals, is to augment its resources including its professional manpower through a private partner and improve the medical services being offered to its Insured Persons. The proposer while providing the services would keep in mind the total resources of ESIC and not just of a particular facility.

- ❖ The terms and conditions of the R.F.P. including the submission date remain unchanged.
- ❖ The proposed sites for Medical College and Super Specialty Hospital are as under:-
 - Medical College at Bangeotu Nerchowk, Mandi, Himachal Pradesh which is a green field project. Total land available is 32 acres approximately.
 - ESI Medical College at existing ESI Hospital, NH-3, Faridabad. Total land area is 31 acres approximately.
 - ESIC Super Specialty Hospital, Sanathnagar, Hyderabad – under construction for 150 beds.

The above information is given by ESIC. However, the proposer has to make his own enquires including site visit regarding all matters to enable him to submit the technical and financial proposals. These sites are indicative.

- ❖ Financial proposals for Super Specialty Hospital and Medical College are to be submitted separately in form Fin.-I and Fin. – II.
- ❖ The proposer quoting lowest total for Super Specialty Hospital and Medical College shall be considered as the lowest bidder.
