2. Period of validity of bids

Bids shall remain valid for 90 days after the date of tender opening prescribed by the ESIC (Customer); a bid valid for a shorter period would be liable to be rejected by the ESIC (Customer) as non-responsive.

In exceptional circumstances, the ESIC (Customer) may solicit the bidder's consent to an extension of the period of validity. The request the response thereto shall be made in writing (or by e-mail or telex or fax). The EMD provided shall also be suitably extended.

3. Other General / Eligible Conditions of Contract

4.1 In the interpretation of the contract and the general and / or special condition governing it, unless otherwise required :-

a) The term 'Contract' shall mean the invitation to tender, the instructions to tenderer, the acceptance of the tender, particulars thereafter defined and those general and special conditions as

may be added.

b) The term 'Contractor' shall mean the person, firm or company with whom the order of providing AMC Services is placed and shall deem to include the contractor's successors

(approved by the customer), representatives, heirs, executors and administrators unless excluded by the contract.

c) 'Contract value' shall mean the sum accepted or the sum calculated in accordance with rates accepted by or on behalf of the ESIC.

d) The term Customer or 'Corporation' or 'ESIC' shall mean the Employees' State Insurance Corporation.

4.2 Validity of contract: The contract shall be valid for a period of 1(ONE) year from the date of award in accordance with the terms and conditions mentioned herein. The contract may be extended for another term of one year on the same terms and conditions with mutual consent of the parties and at the discretion of Employees' State Insurance Corporation.

4.3 Authority of person signing documents: A person signing the tender form or any documents forming part of the contract on behalf of another shall be deemed to warranty that he has authority to bind such other and if, on enquiry, it appears that the person so signing has no authority to do so, the ESIC may, without prejudice to other civil and criminal remedies, cancel the contract and hold the signatory liable for all costs and damages.

4.4 Responsibility for executing contract: The agency is to be entirely responsible for the execution of the contract in all respects in accordance with the terms and conditions as specified in the acceptance of tender.

4.5 The agency shall not sublet, transfer or assign the contract or any part thereof without the written permission of the Regional Director, ESIC. In the event of the contractor contravening this condition, Regional Director, ESIC shall be entitled to place the contract elsewhere on the contractors account at his risk and cost and the agency shall be liable for any loss or damages, which the ESIC may sustain in consequence or arising out of such replacement of the contract, apart from forfeiture of the Security Deposit and / or invoking the Bank Guarantee given for due performance of the contract, for such breach. The Regional Director, ESIC or the Competent Authority of the ESIC may grant such permission for substitution subject to any further conditions as it may deem necessary on the existing as well as the proposed contractor and both of them shall be bound to comply with such further condition as may be imposed.

4.6 Earnest Money: The tenderer shall have to deposit earnest money of Rs. 18100/- (Rupees Eighteen Thousand one hundred Only) with their tender failing which the tender is liable to be rejected out rightly. The earnest money is to be paid by Demand Draft / Pay Order / Bankers Cheque (and no other form) the same should be drawn in favour of 'ESI Fund A/C No. 1', payable at Faridabad and attached with the tender. Cheque will not be accepted for Earnest Money. In the event of the withdrawal / revocation of tenders by agency within the valid period of the offer, the earnest money

7

shall be forfeited. The earnest money will however, be returned to the tenderer whose tender is not accepted. The earnest money deposited by the bidders and as well as the contractor shall not carry any interest whatsoever.

4.7 No interest shall be paid on the Earnest Money Deposit and the Performance Guarantee,

deposited by the firm.

4.8 EMD of the unsuccessful bidders shall be returned after award of the contract to the successful bidder. No correspondence / request for withdrawal of the same shall be entertained before the award of the contract to the successful bidder.

4.9 Performance Guarantee: On acceptance of the tender, contractor shall within the period specified by ESIC, deposit as performance security, a sum equivalent to 5% of the estimated annual tender value of the contract. The amount of earnest money may be adjusted towards Security Deposit, for fulfillment of the terms and conditions of the contract. The ESIC shall be entitled to forfeit the Security Deposit or any part thereof without prejudice to any other remedies provided in the contract or available under the law for non-performance or failure to satisfactorily perform the contract as per terms and conditions. The security shall be in the form of Demand Drafts / Pay Order payable at Faridabad in favour of "ESI fund A/C No. 1". No interest shall be payable on Security Deposit/Performance guarantee.

a) If the contractor is called upon by the office of the ESIC to deposit Security and the contractor fails to provide the security deposit within the period specified / granted such failure will constitute a breach of the contract and the office shall be entitled to make other arrangements at the risk and expense of the contractor whereby the contract shall be awarded to the next eligible bidder in order and forfeiture of the earnest money shall be effected.

b) One due performance and completion of the contract in respects, the Security Deposit will be refunded to the contract without any interest after deducting downtime and other charges, having remained unrealized, if the same cannot be realized from the contractor's pending bills.

4.10 Recovery of sums due : Whenever any claim for the payment of a sum of money arises out of or under this contract against the contractor the ESIC shall be entitled to recover such sum by appropriating, in part or whole the security money deposited by the contractor and/or by deduction from the pending bills of the contractor. When there remains a balance of the total sum to be recovered, it shall be deducted from any sum due to them or which at any time thereafter may become due under this or any other contract with the ESIC. Should this sum not be sufficient to cover the full amount recoverable, the contractor shall pay to the customer on demand the remaining balance due along with interest at the rate of 24% PA from the date when the first demand is made till the date of actual payment for each day of delay.

4.11 Insolvency and breach of contract : The ESIC may at any time, by notice in writing, summarily terminate the contract without compensation to the contractor in any of the following events, that is to say :-

8

i) If the contractor being an individual or firm, such individual or any partner in the contractor's firm as the case may be, is at any time adjudged insolvent or has a receiving order or orders for administration of his estate being made or any proceedings for

liquidation or composition under any law of insolvency being or not for the time being in force or has made conveyance or assignment of his effects or enter into any arrangements

or compromise with his creditors for suspend payment or if the firm be dissolved under any law which governs it or which is otherwise for the time being in force; or

ii) If the contractor being a company registered under any law for the time being in force, passes a resolution for winding up or the court passes any order for the liquidation of the affairs of the company or that any Liquidator, Receiver or Manager is appointed for the management of the affairs of the company; or

iii) If the contractor commits any breach of this contract or any other direction of the customer issued from time to time not otherwise specifically provided in this contract, the customer can terminate the contract without compensation to the contractor which shall be without prejudice of its right to claim the damages which it may have suffered due to such breach of contract or of the direction issued by the customer.

4.12 Arbitration : In the event of any question, dispute or difference arising under these conditions or any special conditions of the contract, or in connection with this contract, except as to any matter the decision of which is not specially provided for by these or the special conditions, the same shall be referred to the sole arbitration as per the decision of the Regional Director of ESIC, as per Arbitration & Conciliation Act, 1996.

4.13 That no person other than the Regional Director,ESI Corporation or the person appointed/approved by him should act as arbitrator.

4.14 Upon every such reference, the assessment of the costs incidental to the reference and award respectively shall be in the discretion of the arbitrator.

4.15 Subject as aforesaid to the Arbitration & Conciliation Act, 1996 and the rules thereunder, any statutory modifications thereof for the time being in force shall be deemed to apply to the arbitration proceedings under this clause. Work under the contract shall, if reasonably possible, continue during the arbitration proceeding so as to ensure continuity of the business of the customer, other than the ones which are subject to arbitration, shall normally be withheld on account of the arbitration proceedings unless it is considered necessary to do so to cover the quantum of amount likely to be recoverable from the Tenderer.

4.16 The venue of arbitration shall be at Faridabad.

4.17 For the purpose of the contract including arbitration proceedings there under, the Regional Director, ESIC or an officer Authorized by him, shall be entitled to exercise all the rights and powers of the customer.

4.18 Assistance to contractor : The contractor shall not be entitled to assistance either in the procurement of raw materials required for the fulfillment of the contractor or in the securing of transport facilities which they have to arrange on their own.
