No.F-11/11/26/SST/10-A/C -V (Vol. II)

Dated: 25-10-2010

To,

All MS/ SSMC

Sub: Super specialty treatment and submission of returns - regarding

Sir,

It has been observed that despite issuing a number of letters and reminding thereafter, the information on super specialty treatment/expenditure is not being received regularly from some of the Hospitals/SSMCs or incomplete information is being received. Therefore, you are once again requested to submit the information as per the given proforma regularly for timely submission of report to the Director General..

Another issue that has been viewed very seriously by the Director General is the delay in payment to the tie up hospitals. Complaints are being received from some network hospitals that there is considerable delay in settlement of the bills. It is observed that the Headquarters instruction that the bills are to be cleared within 3 days of receipt in complete shape is adhered to only by way of exception. As such it is once again requested to follow the reference letter of Hqrs Office in its true spirit without any room for complaint from any tie up hospital.

It has been decided that all the payment to the network hospitals should be made through RTGS/ECS/CBS mode and henceforth, effective from 15th November, 2010 no payment should be made through cheque, The hospitals may be advised to submit the relevant account information to facilitate transfer through RTGS/ECS/CBS mode of payment. It may also be brought to the notice of the hospitals that account with State Bank of India is preferable so that credit would be made to their account on the same day and if the accounts are maintained in other banks it may take an additional day to complete ECS procedure for credit of payment even though there is no compulsion for them to maintain account with only SBI.

Yours faithfully,

(K. Rajasekar)
Director (Finance)
