No. Diamond Jubilee 2011-12/Bft.I & II

To,
The Regional Director/Director/Joint Director (I/c),
Nodal Officers for ESIC Diamond Jubilee Celebration Plan,
Regional/Sub-Regional/Divisional Office,
ESI Corporation,

Sub:- Commitments on the eve of inaugural function of Diamond Jubilee Year 2011-12 at Vigyan Bhawan, New Delhi-reg.,

Sir,

Reference is invited to this office letter of even no dated 24.02.2011 and 25.07.2011 on the above mentioned subject.

On perusal of the data/reports received from various regions/sub regions it is observed that the performance of Regions /Sub Regions in fulfilling the commitment regarding PDB/DB cases to be settled within one month is not satisfactory. It is also felt that there is lack of clarity as to what settlement of PDB & DB cases mean. It is hereby clarified that the dependant benefit cases shall be treated as settled once the case is accepted as employment injury. However, it shall be the personal responsibility of concerned Branch Manager/Branch Officer (Benefit) RO/SRO/DO to ensure that the dependants in the dependant benefit cases so accepted receive the payment immediately thereafter.

The PDB cases shall be treated as settled once the medical board decides the loss of earning capacity and the first payment of PDB is made within next three days from the date of medical board. It is further clarified that counting of period of one month for PDB cases shall start from the date of termination of TDB.

The above guidelines should be followed while preparing the reports/data related to commitments made on the eve of Diamond Jubilee Celebration at Vigyan Bhawan, New Delhi.

This issues with approval of the Insurance Commissioner.

Hindi version will follow.

Yours faithfully,

(R.S.SRIVASTAVA)
Joint Director (Bft.)
