TIME BOUND

EMPLOYEES' STATE INSURANCE CORPORATION
PANCHDEEP BHAWAN, CIG MARG, NEW DELHI

To
All RDs/Directors/Jt. Dirs (l/c), Regional/Sub Regional Offices, ESI Corporation,

Subject Verification of genuineness of Ip in all cases of high cost treatment regarding

Sir/Madam,

The issue to curb the misuse of costly treatment(Super Speciality Treatment) was discussed during 78th Meeting of Medical Board Council (MBC) held at ESIC Hqrs. Office on 12.1.2011 and found that some IP/IW get registered himself/herself only to avail the costly medical treatment.

D.G desired to know the extent of misuse of high cost treatment/super specialty treatment so that suitable steps could be initiated to curb its misuse in future.

Accordingly RDs/Directors/Jt.Directors l/c are requested to monitor the contribution upto March 2011 in respect of those ips who have availed high cost treatment say two lakhs and above in the month of July & August 2010 within three months of their enrollment in insurable employment to know that how many of them are still continuing in insurable employment and if not why did they become IP. The position ascertained may be reported to this office by 30.4.2011.

This issues with the approval of D.G.

Yours faithfully
(R.S.Srivastava)
(Jt. Director(Bft.))
