To

The All Regional Directors/Directors/Jt. Directors(I/c)
Regional/Sub-Regional/Divisional Offices
ESI Corporation

Sub: Death cases of Coronary thrombosis or heart failure etc. – admission thereof.

Madam/Sir,

Kind attention is invited to Hqrs. Office letter No. 19/11/1/84-Ins.I dated 29th February, 1984 on the subject noted above vide which Regional Directors/ Jt. Directors I/c were authorised to accept the cases as employment injury involving death due to heart attack at work place in consultation with RDMC/MR where cause of death is not known due to non-availability of Death certificate/Post Mortem report/Chemical Analyser's report etc.

Keeping in view the difficulties expressed by the Regional Directors that clear opinion of MRs/RDMCs is not forthcoming and such cases remain undecided or decided against the legal presumption under Section 51-A of the Act, the matter has since been reviewed in consultation with the Medical Division (Hqrs.) and it has been decided that henceforth Regional Directors/Directors/Joint Directors(I/c) may decide such cases on their own on the merit of the case unless and otherwise they require any medical advice/consultation relating to the incident.

This issues with the approval of Director General.

Hindi version will follow

Yours faithfully,

(Pranava Kumar)
Assistant Director(B)
