Subject: Promotion in Senior Administrative Grade.

Sir,

I am directed to refer to this office order no. 94 of 2010 issued vide letter of even number dated 22nd March, 2010.

It is hereby informed that promotion was allowed to GDMOs from the date they completed 20 years of regular service in ESI Corporation.

In view of the fact that some of the doctors were on strike from 12th November, 1991 to 28th November, 1991 and that period had been declared as 'dies non' resulting in non completion of 20 years of regular service as on allowed promotion date, the competent authority has ordered that in such cases promotion is to be allowed from the date he / she should have completed 20 years of regular service after excluding the strike period as the same was declared as 'dies non'.

The promotion may be allowed from such extended date.

Kindly confirm action.

Yours faithfully,

(AKSHAY KALA)
