No.15/14//1/2010-P&D  
To

Dated: 8/06/2010

All Regional Directors/Joint Directors Incharge,

**Subject: Implementation of ESI Scheme in contiguous areas of the implemented centres.**

Sir,

I am directed to refer Insurance Commissioner's DO letter No. N/15/Phase.Prog//2010-P&D dated 20/5/2010 vide which it is mentioned that the centres where the scheme can be implemented by utilizing the existing ESI Dispensaries located within a radius of 8 KMs may be marked separately for immediate implementation. In this connection, it is informed that there may be cases of contiguous areas of already implemented centres where due to rapid industrialization, a numbers of factories/establishments may have come up. In such contiguous areas, if falling within a radius of 8 KMs of existing ESI dispensaries, it will be easy to implement the ESI Scheme since the medical facilities are already available. In order to bring the employees working in such contiguous areas within the ambit of coverage following actions may be taken:-

(a) Survey of all Contiguous areas:- As a first step, the Regional Directors/Joint Director-I/Cs should get all the contiguous areas of all implemented centres surveyed by deputing the Insurance Inspectors/Branch Managers to find out the numbers of factories/establishments and the numbers of employees therein coverable under ESI Act. The Insurance Inspectors/Branch Managers so deputed should also be advised to get information from concerned authorities regarding names of Revenue Villages / Had Bast Numbers etc. which are essential for issue of notification u/s 1(3) of ESI Act, 1948. Surveys of all contiguous areas should be completed by **30th Sept.,2010** positively and result of the surveys so conducted may be

intimated by e-mail ID **dir-pnd@esic.nic.in** to Director (P&D) Hqrs. Office **by 10<sup>th</sup> October, 2010** in following proform:-

Sr. No	Name of Implemented Centre	Result of survey of contiguous areas		Names of Revenue Villages alongwith Had Bast Numbers.	Remarks
		Nos. of factories/Establishments found coverable	Nos. of coverable employees		

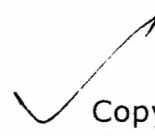

(b) Submission of Proposals to the State Government. After the above survey of the contiguous areas is conducted and completed, the Regional Directors should take up the matter with the concerned State Government authorities for sending the proposal to the Hqrs. Office for implementation of the scheme in such contiguous areas within a stipulated period. This action should be completed by **31<sup>st</sup> OCTOBER, 2010.**

(c) After the action at (b) above is completed the Regional Directors shall inform to the Hqrs. Office that in his region all contiguous areas have been surveyed and no such area has been left out.

This issues with the approval of Insurance Commissioner.

Yours faithfully,

  
**(R.C.SHARMA)**  
**DIRECTOR (P & D)**

 Copy forwarded to: - Joint Director (System) for placing the above circular on the website.
