Subject: Receipt of challans Acknowledgement- Delay in credit - regarding.

Dear Sir,

It is brought to our notice that the delays occur in clearance of cheques, which is deposited by the Employers, all over India through system generated challan.

In this connection it is stated that dropping of cheques and the relevant challans in drop boxes at the Branches, proceeds the delay in realization of those cheque which causes the avoidable embarrass situation to the Employers who have paid their contribution in time bound manner.

In view of the above, it is requested that all your branches may be instructed that ESIC Challans/Cheque should be invariably receipted at the counters. Date of deposit of challan has to be captured by your collection system and mentioned in the file you sent to Wipro after collection for this if any discussion is required with Wipro that can be arranged by ESIC. A instructions so issued in this regard may also be displayed on your website and also forwarded to this office.

Yours faithfully,

(S.K. GARG)
