विषय : क.रा.बी.नि द्वारा प्रत्यक्ष रूप से अदत्त पेंशन से टी डी एस की कटौति (Recovery of TDS from pension disbursed directly by ESIC)

मान्यवर,

Cases have come to notice of the HQrs where TDS recovered from pension has not been deposited to Income Tax Department in time which is against the provision in this regard. All the Finance Officers are requested to ensure recovery of due TDS from pension and deposit it through the concerned DDO along with consolidated return of TDS recovered from salary/third party bills.

Further, it is observed that Accounting Units of ESIC are sending PPOs to banks for disbursement of pension to its pensioners which results not only in incurring huge amount of expenditure as bank charges towards disbursement of pension but also raises reconciliation issues between amount debited and actual due.

In this regard it is brought to your notice that though there are some issues left in satisfactory working of Pension Module under Project Panchdeep but the module is functioning reasonably well so far as disbursement of pension part is concerned. As monthly pension bill can easily be generated after entry of basic data of pensioners in the pension module, all the DDs/JDs (F) are requested to start using the module and disburse pension directly to the pensioners through ECS.

निदेशक (वित्त) के अनुमति से जारी किया गया ।
