**Subject: Adjustments of outstanding balances under the head ARM & SRM-
Regarding.**

Sir,

On reviewing the outstanding advance under the head SRM and ARM, the progress towards adjustment of advances has not been found satisfactory.

Several intimation, email have been sent and Video conferences have been done in past regarding adjustment of outstanding advances, but the position has not improved much resulting into huge outstanding. The C&AG has taken a serious note of it.

For the convenience of field units, yearwise payment/adjustment position have already been circulated to them. Now the competent authority has decided to monitor the progress on fortnightly basis and field units are advised to launch a special drive for adjustment of all outstanding advances by the end of the September 2014..

Yours faithfully,

Arun Pandey
