Subject : Website Policy

Sir/Madam,

Reference is invited towards website(s) being developed by ESIC Field Offices (RO/ SRO/ DO/ Hospitals/ PGIMSR/ Medical Colleges/ Dental Colleges) which are being registered on different domains viz. .com,.in, .org, .org.in etc. In this connection, competent authority has approved the following policy to be followed henceforth.

The use of GOV.IN Domain is restricted to the constituents of Indian Government at various levels right from Central, State/UT, District & Sub-District, and ESIC has already registered two domains i.e. esic.nic.in & esic.gov.in. As per guidelines available on NIC websites following policy has been approved.

PGIMSRs are advised to follow the procedure to register under RES.IN;  
Medical Colleges are advised to follow the procedure to register under AC.IN;  
Dental/Nursing Colleges are advised to follow the procedure to register under EDU.IN through [\[http://www.registry.ernet.in\]](http://www.registry.ernet.in) as it is the exclusive registrar for this purpose as per the information available on NIC website.

NIC has already made provision(s) regarding Sub-domain (4<sup>th</sup> level Domain) registration : [\[Source: https://domain.gov.in/domainauth/fldrs/default.php\]](https://domain.gov.in/domainauth/fldrs/default.php) So in this line, RO/ SRO/ DO/ Model Hospitals trying for their individual websites on different domain names may adopt the provisions available for 4<sup>th</sup> Level Domain Registration.

In accordance to the sub-domain registration availability RO/SRO/DO are advised to register their websites as **ro/sro/do<NameOfRO>.esic.nic.in** e.g. (rodelhi.esic.nic.in / sroambala.esic.nic.in / dokozyhikode.esic.nic.in and so..on) OR **ro/sro/do<NameOfRO>.esic.gov.in** e.g. (rodelhi.esic.gov.in / sroambala.esic.gov.in / dokozyhikode.esic.gov.in and so..on) for which ESIC has to submit the request for sub domain delegations under a third-level domain name has to ONCE in writing in the specified format on the ESIC Hqrs. **letter head** to designate NIC to handle sub domain registrations (fourth level).

In last all NIC.IN / GOV.IN based sites may be hosted on NIC Servers itself and other DOMAIN(s), if already existing may be shifted / moved to ESIC Data Centre by making PROVISION(s) under guidance through SI/TC.

Yours faithfully,

  
(Sanjay Sinha)  
Director (ICT)
