Sub:- Deletion/Correction of Employer Codes with Employer name as 'Factory Name' where transactions have been done

Sir,

As you are aware that in the process of creation of ESIC Database of Employers a large number of records were migrated to the system. It is seen that in the process a large number of records have been migrated where the employer name is shown as 'Factory Name'. All the employers records with Employer name as 'Factory Name', where no transactions have been done, are going to be deleted from the data base as already communicated. However, for the Employers Code where some transactions have been carried out it is necessary to get the recommendations for either the deletion of the records or for the updating the employers' particular in the portal. A list of such cases is attached for examination and recommendation of the respective RO/SRO. All the Ros/SROs are requested to sort out their Codes and fill up the required information in the column G and H and forward the file to Shri Jiv Nath Jha, SSO (IT), ICT Division, Hqrs Office at his email address jivnath.jha@esic.in under copy to sanjay.sinha@esic.in. This task has to be done in time bound manner so that corrective action can be taken up at the earliest.

PLEASE NOTE THAT ONLY SOFT COPIES HAVE TO BE SENT. NO HARDCOPIES NEED TO BE SENT UNDER ANY CIRCUMSTANCES

Yours faithfully

 (SANJAY SINHA) 3/6/14
 Director (ICT)
