No. A-19/11/1/303/2009-Med-IV

Dated : 7<sup>th</sup> May, 2014

**MEMORANDUM**

Subject : Technical resignation of GDMOs – Joining as Specialists in ESI Corporation.

Few cases have come to the notice where GDMOs working in ESI Corporation have been appointed as Specialist Gr. II (Junior Scale) in ESI Corporation itself.

In most of such cases, it has been observed that they are being allowed to join as Specialist without tendering technical resignation from the post of GDMO.

This leads to double enrolment of such doctors in the official records i.e. in GDMOs and in Specialist sub-cadre. It may happen that these doctors may be considered for promotion in GDMO sub-cadre even if they are working as Specialists.

All the Medical Superintendents / State Medical Commissioners (Controlling officers) are requested to furnish the information with regard to Specialists who had worked in ESI Corporation as GDMOs at any stage. Further, they are advised not to relieve any of General Duty Medical Officer before submission / acceptance of resignation in future.
