Sub: Fixation of Annual Revenue Recovery Target for the year 2010-11 reg.

Sir/Madam,

I am directed to inform you that based upon the feedback received from you from time to time, it has been considered desirable to fix a realistic target for the current year vis-à-vis fixation of target of 100% of recoverable arrears last year.

Accordingly all the regions/sub-regions were advised to submit the figure of recoverable arrear as on 1.4.2010 without waiting for the annual arrear statement. Based upon the figures of recoverable arrears submitted by you, target for the respective region has been fixed as per Annexure-A.

You are advised to draw an action plan and ensure that the target given to your region is not only achieved but even exceeded.

The above target is subject to review in case substantial difference is found in the recoverable arrear as per Annual Arrear statement.

This issues with the approval of Insurance Commissioner.

Encl: as above.

Yours faithfully,

(ARUN KUMAR)
DIRECTOR(Rev.)
