**Subject :- Annual Zonal Review Meetings with CVOs of Social Sector held on
11.7.12 in Satarkata Bhawan, CVC, New Delhi – reg.**

Sir,

Annual Zonal Review meeting with CVOs of Social Sector held on 11.7.2012 in Satarkata Bhawan, Central Vigilance Commission. Director General, ESIC attended the meeting as DG & CVO, ESI Corporation.

Vigilance Commissioner, while specifying the importance of the participating organizations indicated that their role in development of the country is very important.

Observations/ Suggestions of Central Vigilance Commission are as follows:-

- vii) Areas vulnerable to corruption should be identified so that loopholes can be easily plugged.
- viii) If people are not happy with public delivery system, we should be more sincere in our efforts. Organizations should set a goal for themselves and try to achieve it.
- ix) The Commission did not support award of contracts on nomination basis and in tendering process principles of equal opportunity to all eligible contractors need to be followed. However, in case organization decides to go for nomination basis, there should be valid justification and reasons recorded for the same.

Aforesaid is brought to the notice of all concerned for necessary action at their end.

This issued with the approval of Director General.

Yours faithfully,
