6	Disposable Syringe 20ml with needle	1000	-do-			
7	Auto disabled Syringe 2 ml with needle		-do-			
8	Auto disabled Syringe 5 ml with needle		-do-			
9	Disposable Needle No-18	1000	Dispovan Romsons One Inject BD and			

			Other Brands satisfying the following specifications. <i>Single use sterile</i>			
10	Disposable Needle No-20	1000	-do-			
11	Disposable Needle No-22	10000	-do-			
12	Disposable Needle No-23	30000	-do-			
13	Face Mask	25000	Doctors touch, Life care IVE links and Other Brands satisfying the following specifications. <i>Double Comfortable cloth, Good quality Straps, Good quality nose clips.</i>			
14	Disposable Caps	15000	Doctors touch, Life care IVE links and other Brands satisfying the following specifications. <i>Disposable having elastic band at the back so that the cap fits snugly on the head.</i>			
15	Foleys catheter no-8	500	Romson Rusch Polymed and other Brands satisfying the following specifications. <i>Manufactured with silicone</i>			

			<i>elastomer bonding with plastic hard valve, Material should be smooth and non irritant should not rupture, easily deflatable. Should inflate uniformly. Latex two ways. Balloon capacity 10 ml</i>			
16	Foleys catheter no-10	500	-do-			
17	Foleys catheter no-14	500	-do-			
18	Foleys catheter no-16	500	-do-			
19	Foleys catheter no-18	500	-do-			
20	Foleys Catheter Three Way 18 size	500	-do-			
21	Foleys Catheter Three Way 20 size	500	-do-			
22	Infant Feeding Tube No-6	500	Romsons IVE Links Polymed and other Brands satisfying the following specifications. <i>Sterile PVC, distal end closed with two lateral eyes. Length 40-55 cms</i>			
23	Infant Feeding Tube No-8	500	-do-			
24	Infant Feeding Tube No-10	500	-do-			

25	Infant Feeding Tube No-14	500	-do-			
26	Scalp Vein Set No-20	500	Romsons Top Dispovan and other Brands satisfying the following specifications. <i>Good Finish, Pre-sterilized sharp end, PVC of Medical grade quality.</i>			
27	Scalp Vein Set No-23	1000	-do-			
28	Suction Tube	500	Romsons Top Polymed and other Brands satisfying the following specifications. <i>Minimum 8mm dia, Non-Kinking, Non-collapsible, Firm, transparent Pvc, Pre-sterilised pack, safe fitting attachments for suction tip.</i>			
29	IV set	50000	Careon Romsons IVE Links and other Brands satisfying the following specifications. <i>Disposable needle gauge size 18-26, cylindrical, collapsible chamber. Kink resistant tubing</i>			

			<i>with proper controller. Sterile. Non toxic, non pyrogenic, single use</i>			
30	Blood transfusion set	500	Oyster Medisafe and other Brands satisfying the following specifications <i>Cylindrical drip chamber provided with filter, 18 gauge needle with roller controller, sterile</i>			
31	Micro drip set	100	Romsons and other Brands satisfying the following specifications <i>Drops size reduced to 50-60 drops per ml</i>			
32	Measured volume infusion set (Ped. Drip)	100	Romsons Eastern Medikit and other Brands satisfying the following specifications <i>Sterile 100ml cap, cylinder type measured volume chamber up to 100 ml with 1 ml increment and 10 ml over flow limit</i>			
33	IV Cannula No 18	500	Venflon Medikit Romsons Polymed			

			<p>Dispovan Mediflon and other Brands satisfying the following specifications. <i>Disposable, effective length 25-50mm, should have injection port, colour code according to size, thin walled with high flow rate, X ray contrast line, smooth surface. Injection valve closing automatically, snap lid on port adaptable fixation wings.</i></p>			
34	IV Cannula No 20	500	-do-			
35	IV Cannula No 22	2000	-do-			
36	IV Cannula No 24	5000	-do-			
37	Total Protection Kit (For surgery or Delivery of HIV Confirmed cases)	500	<i>Complete with Gown, Face sheet, Mask, Glasses, Caps, Shoe cover etc</i>			
38	ECG Jelly	500	<p>Growell Medichem and other Brands satisfying the following specifications. <i>Good quality, having good viscosity</i></p>			
39	ECG Paper	500	<p>BPL <i>Original 108T DIGI ECG Paper</i></p>			
40	Corrugated Drainage sheet	200	<p><i>Romsons</i> and other Brands satisfying the</p>			

			following specifications <i>Sterile size 25mm x 250mm. Extra soft, smooth, PVC, corrugated, X-ray opaque line, sterilize</i>			
41	Crepe Bandage 4"	500	Dyna and other Brands satisfying the following specifications <i>Good quality, good elasticity, Std length</i>			
42	POP Bandage 4"	1000	New Glory and other Brands satisfying the following specifications <i>Good Quality</i>			
43	POP Bandage 6"	1000	<i>-do-</i>			
44	Three way connection	1000	Mediflex Venflon Eastern and other Brands satisfying the following specifications <i>Disposable, Sterile, Good quality, good finish.</i>			
45	Surgical Suture Needle Cutting Straight No.9	50	Supergold Superfine Or any other brand <i>Pkt of 6,size 4 to 7mm in length, good finish</i>			
46	Surgical Suture Needle Cutting	50	<i>-do-</i>			

	Straight No.10					
47	Surgical Suture Needle Cutting Straight. No.12	50	-do-			
48	Surgical Suture Needle Cutting Curved No.6	50	Supergold Superfine Or any other brand <i>Pkt of 6, Good quality steel, good finish</i>			
49	Surgical Suture Needle Cutting Curved No. 9	50	-do-			
50	Surgical Suture Needle Cutting Curved No. 10	50	-do-			
51	Surgical Suture Needle Cutting Curved No. 12	50	-do-			
52	Surgical Suture Needle Cutting Curved No. 15	50	-do-			
53	Surgical Suture Needle round body half circle No 6	50	Supergold Superfine Or any other brand <i>Pkt of 6, Good quality steel, good finish</i>			
54	Surgical Suture Needle round body half circle No 9	50	-do-			
55	Surgical Suture Needle round body half circle No. 15	50	-do-			
56	Yankur Suction Set	100	<i>Sterimed Romsons</i>			

			and other Brands satisfying the following specifications <i>Moulded transparent yankur handle with thumb control attached with 2.5 mtr. long tubing with designed moulded connector for easy attachment to any type suction apparatus tube length 2.5 mtrs. Tube diameter 27 FG. Sterile packed in soft blister pack, With micro tip fine</i>			
57	Absorbable haemostat Sponge	200	<i>Sterile, good quality</i>			
58	Double J Stent ureteric sizes 3F	25	<i>Romsons and other Brands satisfying the following specifications With pusher, guide wire and introducer</i>			
59	Double J Stent ureteric sizes 4F	25	-do-			
60	Double J Stent ureteric sizes 5F	25	-do-			
61	Double J Stent ureteric sizes 6F	25	-do-			
62	Urine collection bag	500	Polymed S-Nath and other Brands satisfying the following specifications <i>PVC, sterile for 2000ml with non retn. valve with drainage outlet. Single or double pack</i>			

			<i>graduation, good quality, provided with molded handle for carrying and holding and to keep the drain tube in upright position to prevent kinking. Length of tube 100 cms</i>			
63	Reusable hand switching pencil for Diathermy	25	Medi aid and other Brands satisfying the following specifications <i>Fully concealed, leak proof, should be autoclavable with different Diathermy</i>			
64	Bain Circuit (Paed)	25	Nisco and other Brands satisfying the following specifications <i>(Disposable high quality) transparent PVC hose with inner tube Plastic(should be able to dismantle for cleaning bag with extension tube), expiratory valve curved plastic connector, should be connect to the Boyle Machine.</i>			
65	Nasal Oxygen Catheter No.6	500	Sterimed Poly medicure and other Brands satisfying the following specifications <i>Open and with multiple holes for uniform oxygenation, should have colour coding for size, soft</i>			

			<i>with adequate length</i>			
66	Nasal Oxygen Catheter No.8	500	<i>-do-</i>			
67	Nasal Oxygen Catheter No.10	500	<i>-do-</i>			
68	Nasal Oxygen Catheter No.12	500	<i>-do-</i>			
69	Nasal Oxygen Catheter No.14	500	<i>-do-</i>			
70	Umbilical Clamp	500	Mediaid Mesco surgicals and other Brands satisfying the following specifications <i>Sterile,disposable with effective grip</i>			
71	Tracheostomy tubes	10	Sterimed Romson and other Brands satisfying the following specifications <i>a) Plain b)Cuffed sterile. Should be thin smooth size: 12F to 42F. Should have strap for fixation.</i>			
72	Skin grafting blade	50	Ribbel and other Brands satisfying the following specifications <i>Sterile disposable , compatible with Humby's knife</i>			
73	Epidural needle with catheter	100	Becton dickinsons Braun Medicals and other Brands satisfying the following specifications			

			<i>Imported, toughy, needle G 16-18 size. Should have length markings, sterile and disposable with plastic hub, ISO std, colour coating, smooth bevel surface with plastic stylet.</i>			
74	Paediatric Oxygen Mask	100	Fleximask Polymed And any other brand satisfying the following specifications. <i>Poly mask with tube.</i>			
75	Sterile Transparent dressing for Laparoscopic Surgery	100	Pharmateck India and other Brands satisfying the following specifications <i>Wate proof, sterile, transparent</i>			
76	Chemical integrator tablet for autoclaving	1000	<i>Tablet like strip having accept/reject read out for result</i>			
77	Biological indicator bacillus stearothermopilis	1000	<i>Reliable test to check efficiency of sterilization, edged elliptical eyes. Size PG 5,0,6,0,8,0</i>			
78	Disposable eye pads	1000	<i>Sterimed</i> and other Brands satisfying the following specifications <i>Good quality</i>			
79	Gynae Sheet	500	<i>Pharmatek</i> <i>Thea-tex health care India pvt ltd</i> and other Brands satisfying the			

			following specifications <i>Sterile disposable, Good quality</i>			
80	Abdominal Sheet	500	-do -			
81	Disposable leggings (for Gynae Use)	250	- do -			
82	LMA (Laryngeal Mask Airway) Disposable		<i>As per standard Specifications</i>			
83	Bougie (Tube Introducer)		<i>As per standard Specifications</i>			
84	Spinal Needle No- 18,22 to 27 & 29	500 each	Becton&Dickinson and other Brands satisfying the following specifications <i>Disposable, presterilized with plastic colour coated hub, smooth movement</i>			
85	Guedles Airway(Different Size)	20 each	<i>As per standard Specifications</i>			
86	Nasopharyngeal Airway(Different Size)	10 each	<i>As per standard Specifications</i>			
87	Ryles Tube Size 6 to 20	50 each	Mediryles Polymed Romolele and other Brands satisfying the following specifications <i>PVC, with radio opaque line,radio opaque material at tip. Fitted with funnel and luer connector, colour coded for easy identification</i>			

88	Electrode Clip(Different Size)		<i>As per standard Specifications</i>			
89	Electrode Bulb(Different Size)		<i>As per standard Specifications</i>			
90	Disposable Monopolar Cautery Lead	50	<i>As per standard Specifications</i>			
91	Disposable Bipolar Cautery Lead	50	<i>As per standard Specifications</i>			
92	PMO Line 200 cm		<i>As per standard Specifications</i>			
93	IV Extension Line		<i>As per standard Specifications</i>			
94	Disposable Mouth Pieces(PFT Machines)		<i>As per standard Specifications</i>			
95	Paper Roll for Pft Machine		<i>As per standard Specifications</i>			
96	ET Tube differnet size(Plain)	10 each	Rusch Polymed Portex Sterimed Medical devices and other Brands satisfying the following specifications <i>Disposable non cuffed size 2.5,3,305,4mm. should be good quality, high volume low pressure tubes, pvc, should have X ray opaque line, should have pilot ballon with self sealing valve, should have 15mm connector , sterile packed</i>			
97	ET Tube differnet size(Cuffed)	10 each	Rusch Polymed			

			Portex Sterimed Medical devices and other Brands satisfying the following specifications <i>Disposable cuffed size 3- 10mm. should be good quality, high volume low pressure tubes, pvc, should have X ray opaque line, should have pilot ballon with self sealing valve, should have 15mm connector , sterile packed</i>			
98	Orthopac	25	<i>As per standard Specifications</i>			
99	Opsite Post Op	50	<i>As per standard Specifications</i>			
100	Sterile Disposable Draping	50	Careon Bhagat JEE&sons and other Brands satisfying the following specifications <i>As per standard Specifications</i>			
101	Sterile Disposable Gown	250	<i>-do-</i>			
102	Laposcopic Camera Cover		<i>As per standard Specifications</i>			
103	Clinical Thermometer	500	<i>As per standard Specifications</i>			
104	Rapid Infusion Set	20	<i>As per standard Specifications</i>			
105	Sterile Gloves	50000	Surgicare Nulife Truskin and other Brands satisfying the			

			<p>following specifications <i>Sterile Latex Rubber, size 6-8, Duly ISI marked (IS: 13422 of ISO 9001ce-0434 and en460002) certified company rough palm quality is good, coarse granule on palm side</i></p>			
106	Sterile Gloves non sterile	50000	<p>Surgicare Nulife Truskin and other Brands satisfying the following specifications <i>Latex rubber, size 6-8, ISI/ISO/CE/EN marked with No. The size marking should not be washable. The gloves should not stain with blood. The latex quality should be good, coarse granule on palm side</i></p>			
107	Elastic Adhesive Plaster	500	<p>Gypsoplast Johnsons and other Brands satisfying the following specifications <i>Elastic adhesive bandage BP, size 8cmx4-6 mts stretched length</i></p>			
108	Micropore paper plaster	500	<p>Gypsoplast Johnsons and other Brands satisfying the following specifications <i>Elastic micropore bandage BP, size 8cm-10cm x4-6 mts stretched length</i></p>			

109	Disposable bed sheet	500	Pharmatek Thea-tex health care India pvt ltd and other Brands satisfying the following specifications <i>Sterile disposable, Good quality</i>			
110	Spinal sheet	250	- Do-			
111	Tailor Scissors	25	Pharmatech India and other Brands satisfying the following specifications <i>Good quality iron, minimum 8" size, blade made of toughened M steal and with brass handle, heavy duty</i>			
112	Hot water bag	25	Zenica pharma Oswal and other Brands satisfying the following specifications <i>ISI marked Indian red rubber</i>			
113	Adult Oxygen mask	100	Medikit Polymed and other Brands satisfying the following specifications <i>Polymask with tube</i>			
114	CVP Cannula with double lumen	100	AG Surgipharma and other Brands satisfying the following specifications <i>CVP line with scales ,airvent made up of poly urettaicwith guide wire. Should be bacteria free, soft, stop</i>			120

			<i>lock should move clock wise size 14G ,16 G ,CVP line with two lumen</i>			
115	Nebulizer kit with mask	100	and other Brands satisfying the following specifications <i>Disposable Nebulizing chamber with low resistance</i>			
116	Collagen sheet with Nylon Mesh	50 each	<i>Good Quality</i>			
117	“2”X”3”		<i>As per standard Specifications</i>			
118	“3”X”4”					
	“8”X”6”
