   c. Technical bid consisting of Details of the firm/ vendor and Check list
   d. Financial Bid (as per format at Annexure D)
2. All the pages of the submitted tender are to be duly signed, numbered and mention the page number of documents submitted, in the check list column.
3. Tenderer are requested that, before quoting their rates or uploading tender, the tender form may please be read thoroughly (line by line), otherwise purchaser will not be held responsible for any error/oversight of the tenderer and likely rejection of bid.
4. Earnest Money: the tenderer shall have to deposit Earnest Money as mentioned against the tender items, failing which the tender is liable to be rejected. The bidders submitting valid MSME Certificate are exempted from EMD.
   a. The earnest money is to be paid by Demand Draft drawn in favour of ESIC FUND A/C NO-1, payable at New Delhi. NO CHEQUES WILL BE ACCEPTED.
   b. In the event of the withdrawal/revocation of tender before the date specified for acceptance, the Earnest Money shall stand forfeited.
   c. The Earnest Money will however be returned without interest to the tenderer, whose tender is not accepted.
   d. Earnest Money Demand draft must be delivered by hand so as to reach on or before the closing date and time in sealed cover to ‘The Medical Superintendent’ ESIC Hospital Jhilmil Delhi-110095. The following words
should be written in block letters”  **Procurement of medical gases**” along with “**tender number 01/2020/Medical Store**” on top of the envelope, failing which the tender is liable to be rejected.

5. All payments shall be made by Demand Draft drawn in favour of ESIC FUND A/C No.1, payable at New Delhi. Cheques/ cash will not be accepted.

6. You are requested to submit the online bid for medical gases latest by **21.05.2020** up to **01:00 pm** in the form of e-bid under Two Bid systems-(Technical Bid & Price Bid). Technical Bid should consist of details of firms and all document, certificates etc. mentioned in the check list and Price Bid should be filled as per format at Annexure D indicating the price of the item mentioned in technical bid. The same should be addressed to the M.S. ESI Hospital Jhilmil Delhi-110095.

7. Bidders or their authorized representative may be present if they wish to be at the time of opening of tender in **Room No-84** at **2:30 pm.** In case **22.05.2020** is declared a holiday, bids will be opened on next working day at the same time & venue.

8. Medical Superintendent, ESI hospital Jhilmil Delhi-110095, does not pledge himself/ herself to accept the lowest or any tender and reserves the right to accept the whole or any part of the tender or portion of the quantity offered and you shall supply the same/execute the supply at the rate quoted by you.

9. Acceptance by the purchaser shall be communicated in due course.

10. The tenderer shall give full assistance and information as may be required in connection with the supply of medical gases to the Medical Superintendent or any other officer nominated by him/ her to inspect the premises of the tenderer at all reasonable times.

11. The tender is liable to be rejected if complete information is not given therein or if the particulars and date (if any) asked for in the tender are not duly & fully filled in. Particular attention may be given to the dates of delivery and also to the particulars referred to in the conditions of contract so as to comply with them.

12. Individuals signing tender or other documents connected with the contract must specify:
   a. Whether signing as a ‘Sole proprietor’ of the firm or his Attorney?
   b. Whether signing as a ‘Registered Active Partner’ of the firm or his Attorney?
   c. Whether signing for the firm ‘per procreation’.
   d. In the case of companies and firms registered under the Indian partnership act, the capacity in Which signing e.g. Secretary, manager, and partner etc, on their attorney and produce copy of documents, empowering him to do so, if called upon to do so.

13. All tenders shall remain valid for acceptance for a period of 06 months from the date of opening of the tender or for such period as stated in special terms & conditions.

14. Quotation qualified by any vague and indefinite expression such as “subject to immediate acceptance “Subject to prior sale” etc. will not be considered.

15. **Security Deposit:** on acceptance of the tender, within the period specified by the Medical Superintendent, the supplier must deposit **Rs. 1,25,000/- (Rupees One lakh Twenty five thousand only)** as security deposit/ performance security for each bid separately. The hospital authority shall be entitled to forfeit the security deposit or any part thereof without prejudice to any other remedies provided in the contract or available in the law. The security shall be in the form of demand draft / fixed deposit or bank guarantee payable at Delhi/New Delhi, in favour of Medical Superintendent ESI Hospital Jhilmil.

16. **Responsibility for executing contract:**
   a) The supplier is entirely responsible for the execution of supply order in all respect in accordance with the terms & conditions as specified in the acceptance of tender. If the supplier fails in fulfilling below mentioned terms & conditions, such failure will constitute a breach of the contract and the Medical Superintendent shall be entitled to make other arrangement at the risk and expense of the supplier.

   b) Bidder shall not sublet, transfer; assign the contract to any part thereof at any stage of tender without the written permission of the Medical Superintendent. In the event of the bidder contravening the condition tender may be rejected.

   c) Supplier shall not sublet, transfer; assign the contract to any part thereof without the written permission of the Medical Superintendent. In the event of the contractor/
supplier contravening the condition, Medical Superintendent is entitled to place the contract elsewhere on the contractor / supplier account at his risk and contractor / supplier shall be liable for any loss and damage, which the Medical Superintendent, ESIC hospital Jhilmil Delhi-110095, may sustain in consequence arising out of such replacement of the contract.

d) In case selected bill is to be raised only in the name as applied in the tender form.
e) On due performance and completion of contract in all respect, the security deposit will be returned to the supplier without any interest on presentation of an absolute ‘no demand certificate’ in the prescribed form.

17. **Arbitration:** In the event of any dispute or difference arising out of the terms and conditions laid down in this tender, the same shall be referred to the Arbitrator appointed by the Medical Superintendent. The procedure of Arbitration will be governed by provisions Arbitration Act 1996.

18. The tenderer should submit a valid GST / TIN self-attested copies along with the tender paper.

19. **Right to accept / reject:** The hospital authority reserves the right to reject any or all tenders without assigning any reason whatsoever. Also, the hospital authority reserves the right to award any or part or full contract to any successful agency at its discretion & same will be binding on the tenderer.

20. Only technical bid shall be opened first & shall be referred to Technical Evaluation Committee (TEC). The price bid of only those bidders whose Technical Bid is found acceptable by the Technical Evaluation Committee will be opened by the Purchase Committee for further action.

21. **Total rates of gases should be quoted as lump sum price, inclusive of the cost of the gases, insurance, packaging, forwarding, loading and unloading and all taxes etc. as well as charges for installation & commissioning with all the men & material required for the same. No other charges in addition will be payable on any account over & above the lump sum price quoted. Price variation clause will not be acceptable.**

22. The rates quoted in ambiguous terms such as “freight on actual & exemption eligibility applicable to the Hospital & shall advise the purchaser & quote accordingly basis” or “packaging/forwarding extra” will render the bid for rejection irrespective of its gradation in r/o lump sum prices quoted. Bidders in their own interest shall ascertain the eligibility of whatsoever concession. No ‘C’ or ‘D’ form is to be issued by this office. GST must be included as per rules. Tender should be typed in words as well as in figures free from erasing & errors in typing. The bidder must attest any erasing/error, otherwise the rates in reference of that particular item shall not be considered. The covering letter should indicate the list of enclosures.

23. **DELIVERY TERMS:**

The delivery of Medical gases required to be executed within a period as specified and at the place ESI Hospital, Jhilmil, Delhi-110095.

MEDICAL SUPERINTENDENT
E-tender Notice No. 01/2020/Medical Store
Notice inviting tender

Sub: Invitation of E-tender for procurement of Medical Gases for ESI hospital Jhilmil.

Special Terms and Conditions

TERMS AND CONDITIONS AND ELIGIBILITY CRITERIA:-

1. The firm should preferably be a manufacturer/authorized distributors of medical gases i.e. Medical oxygen IP, Nitrous oxide and should have valid manufacturing license/licensen for distribution issued from the state drug controller as per the provisions of Drug & cosmetic Act 1940 and rules there under (attested copies of the licenses must accompany the tender) firm should ensure an uninterrupted supply of medical gases to the hospital round the clock.

2. The tenderer has to ensure compliance of gas cylinder rules 2016 or rules made thereafter and timely obtain necessary filling permission from the chief controller of explosives under rule 45 while supplying the cylinders for filling of compressed cryogenic gases, if required.

3. The firm should be a reputed one and should have been a supplier to at least 2 hospitals of Delhi/ NCR for at least a period of 2 years (this has to be supported with a certificate issued by the head of the hospital or any authorized signatory with the supply order).

4. The firm must be a supplier of medical gases i.e. medical oxygen IP, nitrous oxide and should have a valid license issued from state drug controller as per the provisions of drugs and cosmetics act 1940 and rules made thereafter. (Attested copies of license must accompany the tender document).

5. The firm should have a valid license for storage, filling and cylinder testing etc. issued by CCE Nagpur /or any other approved by Govt of India as statutory requirements. (A self attested copy of same is to be enclosed)

6. Firm should have its own fully fledged lab with full time chemist to test each batch and to provide best testing reports of last 2 years on demand.

7. The firm should have in-house facility for testing/trace impurities in P.P.M/P.P.B. range for CO, NO, Phosphines, Polymer, SO2 and argon etc. The facilities should be open to scrutiny by the hospital authorities.

8. Firm should have separate tanks and filling decks in designated separate areas for medical and industrial oxygen to avoid any chance of mix up which may be harmful to the patients. It is therefore essential that they must have separate identified cylinders for medical and industrial oxygen and proper transport facility.

9. The entire cylinder tank should be tested and specified for filling of medical gases by CCE. The firm should provide certificate to this effect.

10. Every cylinder/ storage tank should have a ring with all desired details of cylinder and mention of due date for testing.

11. Firm should have a CCE approved test shop (documentary proof to be attached)
12. Medical oxygen supplied in cylinders/tank should be filled from liquid medical oxygen directly through liquid pump to avoid contamination.

13. All cylinders/tank supplied by the firm must strictly meet all regulatory requirements including filling norm as per latest rules.

14. The rejected supply, if any, should be taken back and replaced by the firm at its own cost within the specified period and without causing any interruption to the hospital services.

15. Even in the case of emergencies the firms should be able to maintain uninterrupted supply of medical gases as per requirement.

16. The manufacturer shall have to supply the Gas in the cylinders owned and maintained by the firm and also the cylinder owned by the hospital as per requirement round the clock in various patient care areas.

17. IG ESI Hospital Jhilmil is 300 baded Hospital. The present consumption pattern of Medical Gases is as follows:
   A. Oxygen D type cylinder bulk of 47 ltr. Water capacity (7.1 cum each)- 750 cylinders per month.
   B. Oxygen A type cylinder of 5 ltr. Water capacity (0.71 cum each)- 10 cylinders per month.
   C. Oxygen B type cylinder of 10 ltr. Water capacity (1.43 cum each)- 30 cylinders per month.
   D. Nitrous oxide in bulk of 17100 ltr. Gas capacity (17.1 cum )- 15 cylinders per month.
   E. Nitrous oxide A in type cylinder 5 ltr. Gas capacity (1.74 cum) -5 cylinders per month.
   F. Carbon Dioxide B type cylinder – 2 cylinders per months.

18. Total annual expenditure of above mentioned items/gases is approximate Rs. 2500000/-

19. In the case of liquid oxygen tank/vessel capacity up to the 5 KL tank should be installed for storage of liquid gases. In case of oxygen vessel failure, minimum 50 bulk oxygen cylinders have to be maintained by the firm which should be sufficient as back up for the manifold functioning and this quantity may increase at any time as per the requirement of the hospital. These cylinder should fit into the existing infrastructure in the manifold.

20. There should be provision of installing bulk D Type Nitrous Oxide Cylinders 8 in number including emergency purpose.

21. The firm should not demand for security, caution money, rent / maintenance charges, holding or transportation charges, initial installation or uprooting charges or any other charges not mentioned in the price bid for cylinders or Liquid Oxygen Vessel.

22. The Liquid Oxygen Vessel must be installed and become functional with in 06 months of dated of award of tender, failing which the difference of cost of Gas procured in cylinder type-D shall be recovered from the firm at default.

23. The tenderer is bound to supply medical gases to be used in the hospital during the validity of tender at the approved rates. If the price of any item is reduced due to any reason during the validity of tender, the firm will intimate the same to the hospital and reduce the rate immediately.

24. The firm should have a supply depot in Delhi NCR in order to ensure timely regular supply of medical gases. (Address details of supply depot should be enclosed with technical bid).

25. In case if the supplier fails to supply the material gas as per demand and as and when required the order will be liable to be cancelled and the security money/earnest money whichever is available at that time will be forfeited. The stores will be purchased from other sources or second lowest and extra expenditure incurred if any will be recoverable from the default supplier.

26. Firm must give an undertaking to the hospital that they will provide an uninterrupted supply of all gases in time and as per requirement.
27. Cylinders of type A & B Oxygen, type A Nitrous oxide and Type B CO2 are hospital owned however cylinders of type D shall be provided by the company and no extra cost for cylinder holding charges shall be paid to the firm. Hence, price may be quoted accordingly.

28. No cylinders rent/price variation or cylinder holding charges will be given to the firm.

29. Repair/maintance, testing & painting of the hospital owned cylinders should also be covered.

30. No rental maintenance charges will be acceptable at any stage for the storage of liquid medical oxygen tank as it will be duty of supplier only.

31. All cylinders should be properly painted as per their respective color code. The cylinder no. Name of the company and contents should be clearly indicated on the neck of the cylinder.

32. All the cylinders of Medical Gases should have:
   a. Valve protection caps
   b. Valve with nickel plating only
   c. History card of the cylinder

33. As per Gas cylinder rules 1981 and rules made thereafter as amended from time to time, the firm should give an undertaking that they are legally bound to supply the items which have been quoted in the tender as per the latest rule laid by the Governing authority failing which they will be liable to action as deemed fit.

34. Quotation Rates: 1) The rates at which gases will be delivered in the cylinders to the hospital must be quoted in Rs./cylinder. The rates should show separately, the cost of gas for each type of cylinder and liquid Oxygen as detailed in price bid (BOQ) with taxes & delivery charges.

35. Rates for liquid medical oxygen must be quoted in Rs./Kg. The quantity supplied for liquid oxygen will be cross verified with pressure gauze of the vessel. Conversion table should be provided with each bill for the quantity supplied.

36. Installation of LMO, Civil work for foundation & Safety/Security facilities for the liquid tanks should be provided by the firm e.g grill, fence etc.

37. No rental charges for the vessel will be payable.

38. MODE OF MEASUREMENT:
   - Liquid oxygen will only be received after weighing the tanker before supply at mutually consented Dharamkanta (Nearest to the hospital) along with the receipt. The tanker will be sent again to the same Dharamkanta on the same day for weighing after refilling the tank in the hospital in the campus installed by the supplier and net volume of the liquid medical oxygen supplied to hospital shall be determined on the production of both receipt (verified by the Hospital Authorized personnel) by subtracting the weight after filling the vessel from the weight before supply on the same day.

39. Representative from the hospital may visit Dharamkanta from time to time for inspection of gross container weight and net weight of oxygen tank. Firm will provide necessary cooperation in this no additional charges will be payable by hospital.

40. Firm will be responsible for routine checkup and maintenance of cylinders and vessel at no extra cost.

41. The firm should insure for refilling and supply of all sizes of cylinder for the qualified medical gases (Oxygen, Nitrous oxide, Carbon Di Oxide ) i.e in AA, A, B, C and D/bulk type.

42. The Liquid oxygen vessel should be maintained in such a way to keep natural evaporation rate less than 2%.
43. Tenderer has to ensure compliance of Rule 3 of gas cylinder Rules, 2004 and timely obtain necessary filling permission from CCE under Rule 45, while supplying the cylinder for filling of compressed cryogenic gases, if required.
44. Firm should have efficient and safe transport to ensure timely supply of medical gases.
45. The firm should install LMO Tank / vessels and connect to the manifold pipeline at no extra installation and uprooting charges.
46. The installation of LMO vessel will be done on turnkey basis including requisite licence and it should be procured by supplier on behalf of Medical Superintendent as per applicable Rules
47. Successful bidder will be bound to supply the gases even after completion of tenure at tender rates, terms & conditions till the next tender / fresh arrangement is finalized.
48. **Revision of Rates:** There should not be any revision of rates during the contract unless anything is statutorily liable/imposed and is duly notified by the Govt.
49. **Period of contract:** The contract will be valid for two year from the date of finalization of the tender but the period can be extended for another one year by the Medical Superintendent on the same rate and terms and conditions on mutual agreement. The Medical Superintendent reserves the right to terminate the contract at any stage if the supplies and or services are found unsatisfactory.
50. **Place of Delivery:** ESI Hospital, Jhilmi, Delhi-110095 F.O.R. basis.
51. The Medical gas manifold room and area for LMO vessels for Oxygen, Nitrous oxide may be inspected by firms on any working day i.e. 9 AM to 4 PM (Monday to Friday) till the last date of submission of tenders. (Contact Medical Store In charge before Inspection)
52. Name and active mobile no. of the key person, who can be contacted at any time and who should be capable of taking orders and making arrangement for supply of desired items, to be provided at time of tender only.

Annexure - C

Technical Specifications for Medical Gases

1. Specification of Compressed Medical Oxygen
   - Should be certified for medical use as per IP 2014.
   - Should not contain less than 99.6 v/v of Oxygen
   - Should not contain more than 5 PPM v/v of CO
   - Should not contain more than 300 PPM carbon dioxide.
   - Should be free from Halogens and polymers.
   - Should be free from oxidizing substances.
   - Should be free from moisture.
   - Should be safe for human use.
   - Should not cause any damage to the material of cylinders, Gas Pipeline, Anaesthesia machine and ventilators.

2. Specification of Liquid Medical Oxygen
   - Should be certified for medical use as per IP 2014.
   - Should not contain less than 99.6 v/v of Oxygen
   - Should not contain more than 5 PPM v/v of CO
   - Should not contain more than 300 PPM carbon dioxide.
   - Should be free from Halogens and polymers.
   - Should be free from oxidizing substances.
   - Should be free from moisture.
   - Should be safe for human use.
   - Should not cause any damage to the material of cylinders, Gas Pipeline, Anesthesia machine and ventilators.
   - Should provide safety feature in the line with safety as a part of installation.
   - Vessel should be of standard material and technology keeping in view of safety and international standard.
   - Vessel Capacity: provision for up to 5 KL. water capacity (Single tank)
   - Configuration- Vertical preferred.
   - Operating working pressure 10-15 kg/cm² (Approx)
   - Should have compact unit including vessel. Vaporizer and incorporated with audio visual alarm for low content and pressure.
   - Dimension of vessels: Vendors are requested to visit / inspect the site so that the tank of requisite dimension can be provided by them to meet our requirement.
   - Consumption approximately-18-25 D type cylinder per day.

3. Specification of Medical Nitrous Oxide
   - Should be certified for medical use as an inhalation analgesic as per IP 2014.
   - Source of Nitrous Oxide manufacturing should be IP grade ammonium nitrate, if any alternate technology or manufacturing process is used the same to be specified and all inputs regarding quality insurance and probable impurities etc must be provided.
Should not contain less than 98% v/v of nitrous oxide, both in liquid & gaseous phase.
Should not contain more than 10ppm v/v of CO.
Should be free of reducing substances and hydrogen sulphid.
Should not contain more than 2ppm v/v of nitric oxide and nitrogen dioxide in both liquid and gaseous phases.
Should be free of oxidizing substances.
Each batch must have passed tests for alkalinity, arsenic, phosphates, and ammonia and other recommended test.
Should not cause any damage to the material of cylinders, Gas Pipeline, Anaesthesia machine and ventilators.
Should be safe for human use.
Absolutely free of moisture and other impurities.

4. **Specifications of Medical Carbon Di Oxide**

- Should be food grade CO2.
- Should be medical use and safe for Human Use.
- Should not cause any damage to the material of cylinders, Gas Pipeline, Anaesthesia machine and ventilators.
E-tender Notice No. 01/2020/Medical Store
Notice inviting tender

Sub: Invitation of E-tender for procurement of Medical Gases for ESI Hospital Jhilmil.

Financial Bid for Medical Gases: As per BOQ
