4. Date and Time for Opening of Financial Bids: Will be informed through E-Mail/Telephone in due course of time, to those bidders who qualifies in technical bid.

GENERAL INFORMATION:-

1. **Back Ground:** There is an ESIC Hospital complex located at Jhilmil, East Delhi which was constructed during early 1980s by CPWD in an area of 8 acres of plot. Presently, the Hospital is fully functional. There is an overhead tank (OHT) situated within the Hospital complex which is 3m distance from the compound wall and the height of the Overhead water tank is about 35 meters. The said overhead tank is not in use of ESIC Hospital for the last 15 years. The condition of said overhead tanks is very depleted and deteriorated. The dome has started falling down which may be a cause of fatal accident. As such, demolition of the overhead tanks is necessary. ESIC intends to obtain the services of reputed firms, having requisite experience in the field of controlled demolition of overhead tanks. The structural drawings of the said overhead tanks are not available with ESIC office.
2. **The scope** of the services of the contractor/ Agency will include:
 - i. The estimated cost of the work is Rs. 666162/-
 - ii. Controlled demolition of Over Head Tank without blasting.
 - iii. Arrangement of all scaffolding/ shuttering, screen etc.
 - iv. Arrangement of barricading, all tools, plants, safety equipment & precautions for the workers at site.
 - v. The RCC foundation of overhead tank shall be demolished from ground level to bottom of foundation and Filling of good earth for horticulture purpose afterwards.
 - vi. Cleaning of site & removal of malba to be dumped at designated Municipal approved dumping yard after obtaining due approval.

NOTE: *In case of any untoward incident while executing the job, causing any loss/injuries/damage compensation will be paid by the contractor.*

3. **Submission of Bids:** Interested Agencies/ Contractor having experience of demolition of overhead tanks, RCC chimney, tall RCC structures, RCC structures shall apply along with all relevant information attaching copies of relevant documents for verification in proof of their experience in the area of their technical capabilities indicating their qualifications to perform similar work, description of similar assignment completed successes fully in their own capacity, availability of appropriate skilled professional annual turnover, similar assignment completed with all relevant information as above including copies of relevant documents for verification and full contact address. *The intended tenderers are advised to visit and inspect the site to make themselves apprise of the scope of work and related aspects before submission of their bids to ESIC.*

- a. The tender document can be downloaded from www.esic.nic.in, Central Public Procurement Portal: www.eprocure.gov.in and <https://esictenders.eproc.in> from 15.05.2018. *The Bidders are*
