PRESS RELEASE

Foundation Stone Laying of ESIC Hospital at Adityapur, Jamshedpur

Shri Narendra Singh Tomar Hon'ble Minister for Labour & Employment & Steel and Mines, Govt. of India laid the foundation stone of 100 bedded ESIC Hospital at Adityapur, Jamshedpur, Jharkhand on 23.08.2014.

While addressing the gathering Shri Narendra Singh Tomar Hon'ble Minister for Labour & Employment and Steel & Mines said that this upcoming ESIC Hospital will cater to the needs of Insured Persons & their family members of Jamshedpur & surrounding areas and this will fulfill their dreams. He also said that in order to realize the '**Sabka Saath, Sabka Vikas**' of the Govt., Ministry of Labour and Employment is focusing on the improvement of the life of workers and imparting training to the unemployed.

Hon'ble Minister also informed that ESIC has formed State Executive Committee which will decentralize the powers & empower the States as well as augment the monitoring of the medical care.

This committee has been assigned with many important jobs like renovation work, annual repair & maintenance, tie-up and de-empement of super-specialty hospitals etc. This State Executive Committee will have powers upto Rs. 3 crore for special repair of 200 bedded ESI Hospitals & upto Rs. 5 crore special repair with more than 200 beds. The ESI Corporation has increased the ceiling on medical expenditure being re-imbursed to the State Govt. from Rs.1500/- per Insured person family per annum to Rs.2000/- per annum.

At present, in Jharkhand State, ESIC is providing primary health care benefits to over 2.5 Lakh Insured Persons through its 11 Branch Offices & 21 ESI Dispensaries. Hon'ble Minister on this grand occasion said that with the construction of this Hospital, there will be substantial improvement in the healthcare of workers under ESI Scheme & their families.

This 100 bedded ESIC Hospital in Adityapur is being constructed in a sprawling area of 10 acre. The estimated cost of this project is Rs. 99.00 crore. The hospital will have state-of-the-art medical facilities with in-patient and out-patient treatment facility in all

major disciplines of medicine. With all the modern equipments, the ESIC Adityapur Hospital will be a pioneering one and a boon to the Insured Persons of Adityapur, Jamshedpur and nearby industrial areas.
